

Next Generation Patrol Technology From PACWEST.

PACWEST Real Time Peace of Mind Using **GREEN** Eco-Friendly Technology.

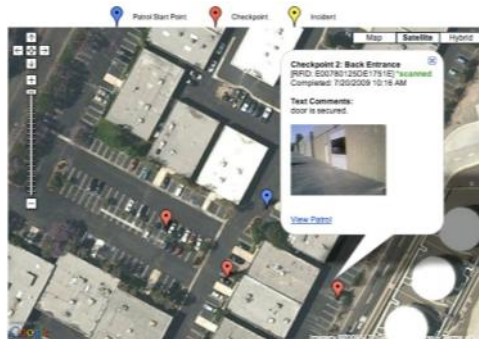

## PACTrax The Nation's Most Powerful Patrol Tour Solution

When the business climate changes we adapt to your needs. PACTrax™, powered by PatrolLIVE is the next generation security application. It is eco-friendly and designed to allow security personnel to work effectively and productively. PACWEST Security officers in the field can record incidents and entire tours on state-of-the-art technology and synchronize this information wirelessly for real-time online review by management. **SIMPLE, COST EFFECTIVE, EASY TO DEPLOY, and PAPERLESS!** Call us for a demonstration.

**PACTrax™ from PACWEST.**  
**No Wires**  
**No Hassles**  
**The full Integration guard tour system.**

## Real Time Guard Tour

**Receive in Real-Time:** GPS Location and Bread-crumbing, Text Notes, Photo Capture, Voice Notes, and Forms.

**Publish to the Officer:** Instructions and Updates, Emergency Contacts, Checkpoints and Requirements.

## Tour Management

**Real-time guard tour** information has become a way of life. To ensure our clients have access to the **most current and accurate data at all times and the latest technology, PACWEST introduces PACTrax™.**
