

# PACTrax™

PACWEST Introduces  
Real Time Peace of Mind.

GPS Location and Breadcrumbs, Text Notes,  
Photo Capture, Voice Notes, and Forms,  
Instructions and Updates, Emergency  
Contacts, Checkpoints and Requirements.

## Experience PACTrax.

Powered by PatrolLIVE, PACTrax™ is the next generation guard tour management system. It's eco-friendly and designed so our security personnel are more effective and productive in the field. They can record incidents and entire tours on state-of-the-art technology, then synchronize this information wirelessly for real-time online review by management. Call us today for a demonstration.

**SIMPLE, COST EFFECTIVE, EASY TO DEPLOY AND  
PAPERLESS!**
